Why ThinkSmart

ThinkSmart View

Smart Office Professional Services

**Smarter
technology
for all**

Lenovo

ThinkSmart helps teams work better, together.

Combining innovative technology with personalized services, our ThinkSmart solutions will redefine your meeting space. Make collaboration more productive and more enjoyable with smart devices that enable greater efficiency and offer options to meet your team's unique needs.

ThinkSmart

ThinkSmart provides hardware, software, and service solutions for teams of all sizes.

360-degree portfolio

Complete solution vs. collection of parts

Flexible across UC platforms

Options to meet your needs

Flexible across room sizes

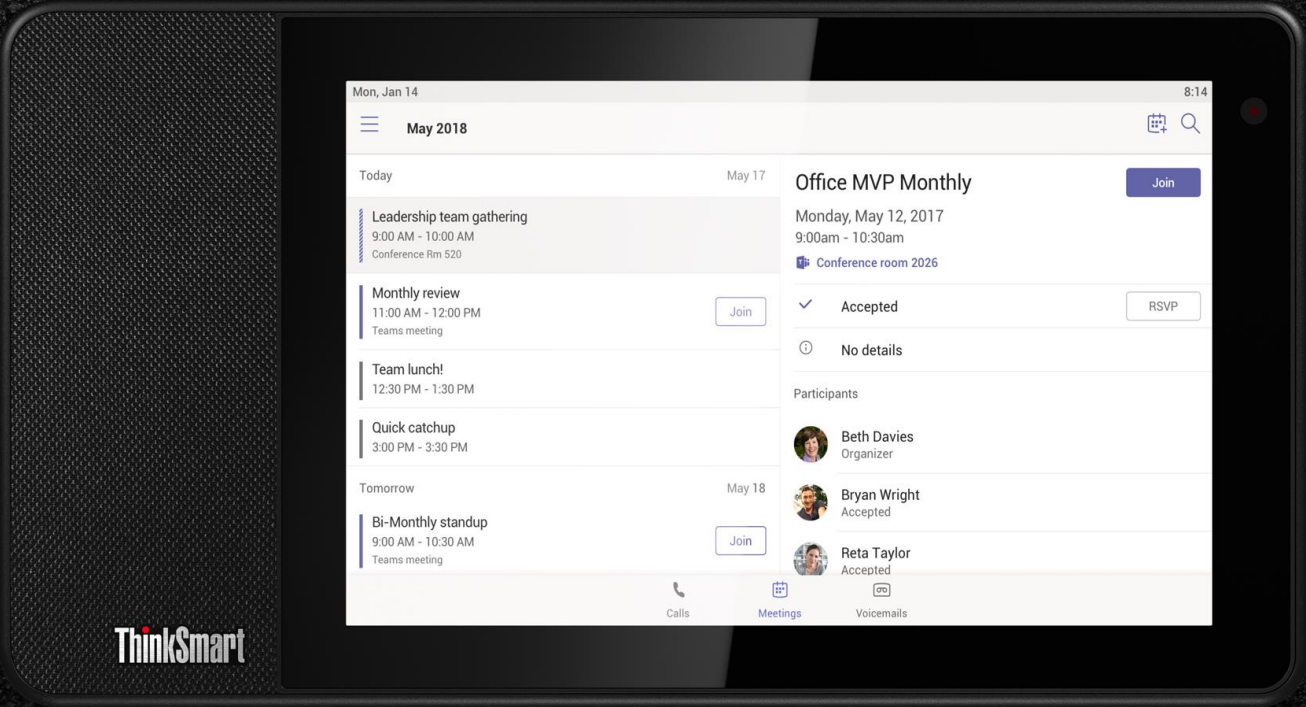

Scalable solutions to fit a range of rooms

ThinkSmart

THINKSMART VIEW

A revolutionary personal productivity assistant.

Lenovo™

This innovative smart office device frees up the PC from administrative tasks so that employees can finally be fully productive and fully collaborative at the same time. From executive suites to remote offices to common areas, ThinkSmart View will transform how employees communicate and collaborate by providing a device that works better, together with their PCs.

SMART OFFICE PROFESSIONAL SERVICES

Personalized support tailored for the ThinkSmart lineup

ThinkSmart

Lenovo offers personalized, end-to-end support to help you make the most of your ThinkSmart View investment.

Assess

We provide a detailed assessment of any issues that could sidetrack deployment.

Deploy

We work to ensure your ThinkSmart devices function optimally in your office.

Maintain

We offer checklists and check-ins to take the stress out of updates and device changes.

Train

We teach all your audiences how to fully take advantage of your new technology.

Onsite

We send a dedicated specialist for set up, installation, configuration, and troubleshooting.

ThinkSmart

thanks.

Lenovo™
